From previous event:

An unreasonable amount of trash was left on the site after the last event

- A bin will be placed in paddock for future events
- Everyone - EVERYONE - is encouraged to clean up after themselves and clean up in general at events

There was one near-miss in the finish box where one driver loitered too long in the box and was nearly struck by the next driver.

- Drivers need to come to a full and complete stop in the finish box, check their time, and then move out.
- Passengers should not be offloaded in the finish box

Club loaner helmets got lots of use

- inventory needs to be compared to population
- look into disposable headsocks
- look into SCCA Nat'l grant for more helmets

Post banner along road at next event

Looking forward:

The City rented all of the Cohen lots to some other organization for the remainder of the year, resulting in no lots for our events

- the club is looking for alternative venues
- anyone who has leads on a suitable lot is encouraged to contact Gabe
- the October 15 event is canceled

The Board election will be open on MSR from 22 Oct.

- annual SCCA members will be eligible to vote and to be elected
- positions elected will be Regional Executive, Assistant Regional Executive, and two co-Secretary/Treasurers
- nominations will close 15 Oct at midnite. Submit to Gabe or [elpasoscca@gmail.com](mailto:elpasoscca@gmail.com)
